

Youth Transport Service Fees

Transport Costs

A standard transport is \$2,150.00 plus airfare for two guides and the teen when necessary. The client/parent pays actual airfare. (No fares are padded.) A quote for all airfare is presented and all air fare costs are authorized before the tickets are purchased. Refundable tickets are recommended to protect against any complications at boarding.

Note: Hourly rates are also available when it is more economical.

What These Fees Cover

- A team of two agents
- Car rental and fuel
- Meals and incidental costs (toll booths, parking, etc.)

Driving Times

We will transport drivable distance of 6 hours each way for the flat rate fee. Longer drives are available and quoted upon request.

Cash Discount

USA Guides offers a \$100.00 discount when the family chooses cash payment. This allows the client to get the most economical price without compromising safety.

Additional fees

When transports exceed 24 hours (starting when our team leaves the home office), the following fees are included:

- Second day rates are available at a discounted price
- Hotel/lodging costs
- Additional car rental fees
- The actual costs passed on to the client and quoted in advance whenever possible.

Other services we offer

- Locate runaways
- Travel companion services
- Private investigator services
- Adoption assistance transport

If you are interested in a quote, or need additional information about our services, please contact us any time.
